

# ***Commuter Update*** ***Friday, October 6th, 2006***

## **Greetings Commuters,**

Communication is a wonderful thing and I appreciate that so many have taken the time to express your concerns about the reduced service planned for Monday.

Due to your feedback, AVTA will run full service for Routes 786 and 787. We will follow the reduced service schedule for Route 785 but will have an extra bus ready to go at the PTC, with two more stand-by buses available if needed.

Thanks again for taking the time to contact us ~ we're listening!

And to those of you who do have Monday off, may you enjoy a relaxing day with friends and family.

Sincerely,

Pam Holland
