

# TRANSPORTER

The **790 TRANSPORTER** is your connection to destinations all over Southern California. This service is designed to connect between the Santa Clarita Valley and Antelope Valley during off-peak hours. The 790 TRANSPORTER provides ten trips each weekday between the Newhall Metrolink Station and the Palmdale Transportation Center with four trips extending to McBean Regional Transit Center, Henry Mayo Newhall Memorial Hospital, and College of the Canyons. This midday service is conveniently scheduled to connect passengers with Metrolink trains to Downtown Los Angeles and beyond. The 790 TRANSPORTER will also make connections to most Santa Clarita Transit routes, including Route 757 NoHo Express, which makes frequent connections to Metro's North Hollywood Station where connecting service to subway and Metro's Orange Line BRT service across the San Fernando Valley are abundant.
