# BUDGET ACT OF 2026

The Governor signed SB-111 a "Budget Bill Jr." amending the two-party agreement agreed to last month by both parties.

The Governor also signed SB-169 the Transportation Trailer Bill to implement policy provisions related to the Fiscal Year 2026-27 budget, which began on July 1.

The budget agreement defers action on the majority of Greenhouse Gas Reduction Funds (GGRF) expenditures. Negotiations between the Legislature and Governor will continue on vital funding for key climate programs, including:

- The Affordable Housing and Sustainable Communities Program (AHSCP),
- Transit and Intercity Rail Capital Program (TIRCP), and
- The Low Carbon Transit Operations Program (LCTOP),
- The remaining appropriations for the SB-125 Zero-Emission Transit Capital Program.

The Legislature is now on summer recess, GGRF negotiations are expected to progress slowly throughout July and restart upon the reconvening of session on August 3.

# BUDGET ACT HIGHLIGHTS

Reflects \$351.7 billion in total expenditures for Fiscal Year 2026-27, with \$35.2 billion in total reserves.

- Advances Assembly Constitutional Amendment 20 – placing a measure on the November 2026 ballot to increase California's budget reserve account.
- Appropriates \$271 million for ZEV incentives (HVIP) at the California Air Resources Board:
  - \$135.5 million for medium- and heavy-duty ZEV incentives;
  - \$135.5 million for light-duty ZEV incentives.
- Appropriates \$150 million from the General Fund for the Community Air Protection Program (AB-617).
- Appropriates \$900 million for Round 7 of the Homeless Housing, Assistance and Prevention (HHAP) program.
- Codifies, via SB-169, the Transportation Trailer Bill, a one-year extension of COVID-era statutory relief for transit agencies, including:
  - Relief from the farebox recovery requirements
  - Relief from the requirements that agencies hold operating cost per revenue vehicle constant year-over-year.

# FEDERAL

# OMB GUIDANCE

The Office of Management and Budget (OMB) proposes to revise the Guidance for Federal Financial Assistance to improve government-wide policies and requirements related to the management of grants, cooperative agreements, and other forms of assistance (Docket OMB-2026-0034).

OMB is proposing revisions that would improve three objectives:

1. Improved transparency, accountability, and oversight for federal awards across the federal government.
2. Clarification of regulatory structure
3. Reducing recipient burden

This includes ensuring that American tax dollars are not wasted or misused, activities performed under federal awards are consistent with law and policy, and recipients are held accountable when they fail to meet relevant standards.

*"The proposed reforms will ensure greater accountability for use of public funds, and that every taxpayer dollar spent either improves American lives or advances American interests".*

# SURFACE TRANSPORTATION BILL

July 17 –House leaders released the text of H.R. 9770 - a draft continuing resolution (CR).

The draft CR extends FFY 2026 appropriations from October 1 through December 4, 2026 at a pro-rated rate.

This CR does not extend funding provided by the 2021 Infrastructure Investment and Jobs Act (IIJA).

July 20 - The House Rules Committee was going to meet to consider the measure. Instead, it was decided to advance the legislation to the floor.

July 21 - The House passes the Continuing Appropriations Act of 2027. Awaiting Senate action, and the President's signature.

**\*\* 64 days until FFY 2027**

# FUNDING OPPORTUNITY

On July 9, the Federal Transit Administration issued a notice of FY 2026 competitive funding opportunity (NOFO).

The Innovative Coordinated Access and Mobility (ICAM) has \$12 million in competitive grant funds available for Fiscal Year 2026.

Eligible activities include: Capital projects to improve the coordination of transportation and non-emergency medical transportation (NEMT) services for older adults, people with disabilities, or people of low income, including:

- Mobility management projects;
- The deployment of coordination technology;
- Projects that create or increase access to one-call/one-click centers; and
- Vehicles for shared or coordinated transportation services

Planning and operating expenses are NOT eligible.

Due on September 9, 2026 by 11:59 pm Eastern time

# REGIONAL

# TRANSPORTATION DEVELOPMENT CREDITS

Transportation Development Credits (TDCs) are BACK ... almost.

Formerly known as Toll Credits—allow states to use non-Federal toll revenues to meet local match requirements for transit projects.

By substituting TDCs for the required local share, eligible projects can be funded at up to 100% of their net project cost using Federal funds.

SCAG approved its TDC policy in July, Metro must also obtain Board approval for Metro's policy on allocating toll credits.

This item is scheduled for Board consideration in October 2026.

Once approved, TDCs will be available for projects programmed in the Federal TIP Amendment #27-02, which is currently pending and scheduled for approval in late February 2027.

# METROLINK

March 23 - The service reductions on the Antelope Valley Line officially began. The 20% cut was announced as a temporary, seven-week measure to combat locomotive part shortages, and a \$30-million budget deficit.

Antelope Valley Line - Heavily impacted trains are generally early morning and late evening (specific trains include: 210, 213, 218, 231, 233, and 236).

April - Continuing Resolution presented. The resolution legally extended funding until October 1, 2026, with staff having an August 1 deadline to finalize a draft proposal.

April - Metrolink officially announced the extension of the service cuts. Due to lingering mechanical issues and structural budget constraints, Metrolink extended the timeline, making the reduced schedule permanent.

May - The Metrolink Board officially approved a 3-month Continuing Resolution for the FY 2026-27 Metrolink Operating Budget; Capital budget bifurcated and approved.

June - A public hearing before the Metrolink Board of Directors.

# METROLINK

NEXT STEP - August and September: The full board is expected to reconvene and vote on the final Operating Budget during the August and September sessions before the continuing resolution expires.

Budget Shortfall - Metrolink entered a \$30 million operating deficit caused by a drop in fare revenue and reduced financial backing from LA Metro and OCTA.

Fare Increase - Evaluating more significant service reductions and a potential fare increase that could take effect as early as October.

Metrolink has not increased fares for 13 years. Proposed changes include increasing one-way ticket prices by up to 15% and raising the cost of the SoCal Day Pass by up to \$2 on weekends and \$5 on weekdays.

Service restoration is still undecided.

## **BOARD MEMBER COMMENTS AND PRESENTATION:**

Marketing Director James Royal and Clerk of the Board/Executive Assistant DeeAnna Cason presented an award to Executive Director/CEO Martin Tompkins on behalf of AVTA's Board and Staff, recognizing his 40 years of service in transportation.

AVTA Board Director Richard Loa, Thomas Moreno (representing Congressman George Whitesides, Senator Suzette Martinez Valladares, Assemblymember Tom Lackey), Isla Garcia (representing Assemblymember Juan Carrillo), Chuck Bostwick (representing County of Los Angeles Board of Supervisor Kathryn Barger), Trolis Niebla, Lancaster City Manager, Drew Mercy, AV EDGE Executive Director, and others acknowledged Mr. Tompkins for his 40 years of service. Mr. Tompkins was very appreciative of being honored and thanked everyone for their support, and his family for attending.

## **PUBLIC BUSINESS – AGENDIZED AND NON-AGENDIZED ITEMS:**

Charlotte Baxter noted discrepancies between the Dial-A-Ride (DAR) app and the actual service time (e.g., showing 10:00 a.m. while the scheduled time was 9:42 a.m.) long wait estimates, and raised concerns about late arrivals. She also mentioned that the app's map tracking showed drivers taking circuitous routes, leading to delays, and one of her trips was over 22 minutes late in May. Ms. Baxter has not received a follow-up call about these issues. She also wanted to thank the drivers who do a great job, but the app needs improvement.

Fran Sereseres expressed her appreciation for the DAR service following her attendance at a meeting held at the soccer field. Upon noticing the gates closing, she recognized that she had miscalculated her designated pickup time and promptly contacted the service for confirmation. The DAR team responded efficiently, ensuring her timely transportation.

Timothy McLaughlin requested the removal or retraining of a Dial-A-Ride driver after a prior incident in which his wheelchair was not properly secured during transport. He also recounted an incident where a driver ignored his clear turning instructions on his property and responded disrespectfully. Mr. McLaughlin stated that he will not tolerate any disrespect from anybody on his property and issued a direct and explicit threat of violence. He stated that if drivers continue to disregard his instructions on his property, he will "start busting them in the mouth." He framed this not as a threat, but as a "guaranteed promise." Chairman Crist responded that he was putting him in a bad position, because you cannot threaten violence against the drivers, who are doing their job. The Chairman requested that AV Transportation Services President Art Minasyan address the issues.

**SPECIAL REPORTS, PRESENTATIONS, AND REQUESTS FOR DIRECTION (SRP):** During this portion of the meeting, staff will present information not generally covered under regular meeting items. This information may include, but is not limited to, budget presentations, staff conference presentations, or information from outside sources related to the transit industry. **Staff will seek directions as necessary from the Board with regard to the following item(s).**

**SRP 1 SPECIAL REPORT FROM SENATOR SUZETTE VALLADARES' OFFICE**

Thomas Moreno, District Representative for Senator Suzette Martinez Valladares, updated the Board on legislative progress. Most bills from the House are in Assembly committees. SB 1080, County clerk: certification of records: signature, was signed by the Governor; it allows counties to verify signatures electronically, streamlining bureaucracy. No further updates at this time.

**SRP 2 SPECIAL REPORT FROM ASSEMBLYMEMBER TOM LACKEY'S OFFICE**

Rosalinda Ortega, Field Representative for Assemblymember Tom Lackey, indicated there were no updates to report at this time. The Chairman thanked her for attending and supporting the community.

**SRP 3 PRESENTATION TO MV TRANSPORTATION OPERATOR OF THE MONTH FOR MAY 2026**

MV Transportation General Manager Joseph Moriarty introduced Dispatch Manager Ebony Jones, who presented the award to Michael Craig.

**SRP 4 PRESENTATION TO AV TRANSPORTATION SERVICES (AVTS) OPERATOR OF THE MONTH FOR MAY 2026**

AV Transportation Services President Art Minasyan presented the award to Husnain Naqvi.

**SRP 5 AVTS DIAL-A-RIDE AND MICROTRANSIT KEY PERFORMANCE INDICATORS (KPI) REPORT FOR MAY 2026**

Mr. Minasyan presented the report with no further questions.

**SRP 6 LEGISLATIVE REPORT UPDATE FOR JUNE 2026**

Chief Financial Officer Judy Vaccaro-Fry presented an update on key Assembly and Senate bills, the state budget, Cap-and-Invest program changes, and the High Desert Corridor project. She also covered CAL Enviroscreen, Caltrans allocations and agency funding, Equal Employment Opportunity streamlining, Service Transportation bill reauthorization, the Highway Trust Fund, and LA METRO Measure G, which would expand the LA County Board of Supervisors from five to nine.

**SRP 7 MAINTENANCE KPI REPORT FOR MAY 2026**

Operations and Contracts Compliance Manager Joseph Sanchez presented the report.

**SRP 8 OPERATIONS KPI REPORT FOR MAY 2026**

MV Transportation General Manager Joseph Moriarty presented the report with no further inquiries.

**CONSENT CALENDAR (CC):** Consent items may be received and filed and/or approved by the Board in a single motion. If any member of the Executive Board wishes to discuss a consent item, please request that the item be pulled for further discussion and potential action.

**CC 6 FINAL RECOMMENDATION ON PROPOSED SERVICE CHANGES FOR SUMMER 2027, INCLUDING PUBLIC FEEDBACK**

The Board of Directors:

1. Review Public Feedback on the Proposed Service Changes; and
2. Schedule a public hearing to receive comments on the Proposed Service Changes at the July 28, 2026, Board meeting.

Planning Manager Geraldina Romo summarized the proposed service changes as adjusting service hours, increasing efficiency, and proactively addressing expected contract rate increases. Community outreach, including multiple town council meetings, was conducted to gather feedback. Director Loa noted significant concerns from Palmdale residents and questioned ongoing community input. Ms. Romo stated that AVTA is recommending holding a public hearing on July 28, 2026, Board meeting to gather further passenger feedback.

On a motion by Vice-Chair Knippel and seconded by Alternate-Director Mac Laren, the Board of Directors approved item number CC 6 with two accompanying recommendations: 1) Review public feedback on the proposed service changes; and 2) Schedule a public hearing to receive comments at the July 28, 2026, Board meeting.

**DISCUSSION:**

Deputy Maselli and his K-9 partner "Doc Holliday" worked 200 hours during June.

At the beginning of each shift, Deputy Maselli contacted bus operators to ascertain any concerns or problems they needed to report, as well as any issues reported the previous day. On average, Deputy Maselli contacted an estimated 25 to 30 buses or bus operators daily.

Deputy Maselli consistently monitored high-priority locations where previous incidents had been reported, including Sgt. Steven Owen Memorial Park (OMP), the Lancaster Senior Center, 10<sup>th</sup> Street East & Palmdale Boulevard, the Palmdale Transportation Center (PTC), and the Lancaster Metrolink Station.

Deputy Maselli and K-9 "Doc Holliday" conducted visible K-9 sweeps focused on terrorism and the deterrence of explosives. These operations took place at key locations, including the Antelope Valley Transit Authority (AVTA) building and bus yard, AVTA transfer centers, AVTA buses, and various random bus stops throughout the Antelope Valley. Their high-visibility presence served as a critical element of public safety throughout the region.

Deputy Maselli warned and advised regarding "Drinking an Alcoholic Beverage in Public", "Failure to Obey Posted Sign", and "No Smoking".

Deputy Maselli checked, monitored, and cleared an estimated seventy-five (75) AVTA bus stops throughout the city of Palmdale and Lancaster daily. He conducted high-visibility crime deterrence patrols with his K-9, DOC Holliday, at various bus stops and transportation centers.

## Longtime AVTA exec honored Tompkins has spent 40 years in transportation industry

**LANCASTER** — Family, co-workers and elected officials honored Antelope Valley Transportation Authority CEO/Executive Directory Martin Tompkins before the board meeting on Tuesday morning for 40 years in the transportation industry.

Tompkins started as a Dial-A-Ride paratransit driver when he was 20 years old in 1986.

"I was surprised when I saw my family walk in," Tompkins said. "At first I noticed a lot of faces, familiar faces, and I was wondering, 'What are they doing there?' I knew what was in the agenda, like, that doesn't involve any of these folks. Once I saw my family, it came to me, I said, 'OK, something's up.'"

Martin was promoted to AVTA CEO in 2022, being unanimously appointed by the board of directors.

"I think serve is probably a better descriptor than he climbed," said James Royal, director of marketing for AVTA. "He's definitely the type of person who wants to do a good job, wants to serve, cares about how our services impact the community, cares about the riders, cares sincerely about the operators who are running the buses. I do think that service is a great descriptor of Martin. I think that is probably the key that has allowed him to climb or grow in the transportation industry."

Representatives from Rep. George Whitesides, Assemblymen Juan Carrillo and Tom Lackey, state Sen. Suzette Martinez Valladares and Los Angeles County Supervisor Kathryn Barger, as well as the cities of Lancaster and Palmdale and AV EDGE, made presentations to Tompkins.

Tompkins said the recognition from those officials meant more considering his family was there to watch it.

He was joined by his wife Lucy, his son Martin, his daughter Ashley, daughter-in-law Carolina and grandchildren Able and Camilla.

**SUBJECT: Renewal of Agreement with Los Angeles County Sheriff's Department (LASD) for Transit Law Enforcement Services – Reserve Unit**

---

## **RECOMMENDATION**

Authorize the Executive Director/CEO to renew the Letter of Understanding with the LASD for transit law enforcement services covering the term July 1, 2026, through June 30, 2027, as outlined in the letter to Sheriff Robert Luna (Attachment A).

## **FISCAL IMPACT**

Total reimbursement under this agreement will not exceed \$172,000. Funds for these services are included in the Fiscal Year 2026/2027 ("FY27") Budget.

## **BACKGROUND**

An agreement for transit law enforcement services was originally entered into between the AVTA and the Los Angeles County Sheriff's Department of Homeland Security in August 2008. The letter of agreement has been renewed annually since that time. Under the terms of the agreement, the LASD will provide the following services for the AVTA:

- Security services Monday through Friday with staggered shift times for increased presence;
- Random fare and ridership field audits of local and commuter services with two Security Assistants to assist with fare enforcement procedures;
- Random bomb and weapon checks of local and commuter services;
- Documentation of all activities, findings, and actions;

# Renewal of Agreement with LASD for Security Services

July 28, 2026

Page 2

- Training for both AVTA and Transdev staff regarding security issues and conflict resolution;
- Provide a presence on school trippers and other services where problematic behavior has been an issue;
- Provide training and outreach to schools regarding AVTA policies for transit riders;
- Interface with the local schools for incident follow-up;
- Provide a presence on and around the transit system to help improve quality of life issues; and
- Other duties as mutually agreed upon in writing.

Reports on security activities are presented to the Board of Directors quarterly. The security agreement has benefited AVTA by providing a presence at our transfer facilities, on the buses, at schools, and at our administration and maintenance facility. The transit deputies have improved the quality of service for our passengers and have provided support to Transdev operators. Deputies issue traffic citations, enforce public utility codes, and assist drivers and passengers as needed.

The LASD provides a reserve deputy with a significantly reduced hourly wage as compared to non-reserve sheriff's deputies, as shown in Attachment B. If the reserve deputy were to leave midway through a contract, the LASD would be unable to fulfill the existing terms with the available budget.

Dear Robert Luna:

As approved by the Board of Directors on July 28, 2026, the Antelope Valley Transit Authority (AVTA) desires to continue to contract with your office for transit law enforcement services. The scope of work shall include the following activities:

- Security services Monday through Friday with staggered shift times for increased presence.
- Random fare and ridership field audits of local and commuter services with two Security Assistants to assist with fare enforcement procedures.
- Random bomb and weapon checks of local and commuter services.
- Documentation of all activities, findings, and actions.
- Training for both AVTA and Transdev staff regarding security issues and conflict resolution.
- Provide a presence on school trippers and other services where problematic behavior has been an issue.
- Provide training and outreach to schools regarding AVTA policies for transit riders.
- Interface with the local schools for incident follow-up.
- Provide a presence on and around the transit system to help improve quality of life issues; and
- Other duties as mutually agreed upon in writing.

AVTA is authorized to spend up to \$172,000 (*at the rates provided and attached*) in FY 2026-27, beginning July 1, 2026 and ending June 30, 2027, unless superseded by a new contract. It is anticipated that this effort would entail work being performed, Monday through Friday, depending on the specific tasks.

We appreciate the opportunity to work with your staff and look forward to continuing our contractual relationship for transit law enforcement services in the Antelope Valley. Should you have any questions, please feel free to contact me at (661) 729-2290.

Sincerely yours,

Martin J. Tompkins

**DATE: July 28, 2026**

**TO: BOARD OF DIRECTORS**

**SUBJECT: Final Recommendation on Proposed Service Changes for July 1, 2027**

---

## **RECOMMENDATION**

That the Board of Directors:

1. Open a public hearing to receive comments on the proposed service changes;
2. Upon the conclusion of the public hearing, approve the final recommendation on the proposed service changes for July 1, 2027.

## **Fiscal Impact**

The proposed service changes reflect a reduction of 12.88% in annual service hours, from the current 187,985.12 to 163,764.17.

## **Background**

On January 16, 2026, in a special strategic meeting of the AVTA Board of Directors, a plan was presented for Proposed Service Changes, scheduled for implementation during the second half of 2027. AVTA staff present to the AVTA Board of Directors the background of past service changes, goals for proposed service changes, recent ridership analysis, and metrics on the impact of the proposed service changes. Key data presented involved the ongoing increase in the agency's cost per service hour and the expected impact of continued increases in 2027 and 2028. AVTA staff recommended implementing the proposed changes in anticipation of future rate increases.

The AVTA Board of Directors approved AVTA Staff to begin a public outreach campaign, sharing the specifics of the proposed service changes with the Antelope Valley community. Outreach began on February 25, 2026, and collection of public feedback concluded on May 25, 2026. A brief outline of key public outreach is below:

**Overview of Proposed Service Changes as Presented to the Public.**

The following is the overview of proposed service changes as presented at public meetings, in digital promotional materials, printed materials, sample local and commuter schedules and maps, and presentation videos. Wherever possible, materials were produced in English and Spanish and staff members that speak both languages were available to present and answer questions.

## **Route 2 and Route 3**

- On Route 2, service is extended from 47th Street East to 70th Street East.
- On Route 3, service is extended from 55th Street East to 65th Street East.
- Route 2 and Route 3 continue to interline at South Valley Transit Center.
- All current locations are still serviced.
- Extended service results in a frequency adjustment of 5 min. – from 30 min to 35 min headways (frequencies).

## **Route 5**

- Extending Route 5 service to include Kaiser Permanente on Avenue L (Butterfly Building).
- Route 5 will serve BOTH KP facilities/buildings in Lancaster.
- Extended service results in a frequency adjustment of 10 min. – from 70 min to 80 min headways (frequencies).

## Route 11 and Route 12

- Route 11 and Route 12 are interlined. In order to keep frequencies balanced, Route 12 now services the northwestern portion, formerly serviced by Route 11.
- All current locations are still serviced.
- Route headways (frequencies) will not change. 30 minute headways (frequencies) at peak on weekdays.

### New Route 19 (formerly Route 50 and Route 51)

- New Route: Route 19 is the combination of Routes 50 and 51.
- Route 19 service returns East towards Lake Los Angeles at Avenue J and 20th East. Routes 4, 11, and 12 are available to continue into Lancaster.
- Route 19 service returns East towards Lake Los Angeles at South Valley Transit Center (Palmdale). Routes 1, 2, and 3 are available to continue deeper into Palmdale.
- Connection to Route 52 at South Valley Transit Center (Palmdale) is maintained.
- Route 19 frequencies are improved to 90 minutes from the current wait of 2 hours and 20 minutes.
- Route 19 is designed to connect with early morning Metrolink and AVTA Commuter Routes during weekdays.

## Other Notable Changes:

- Improving route efficiencies require frequency adjustments on Route 1, from 15 minutes to 30 minutes at peak on weekdays.
- Saturday service on Route 1 is standardized to 45-minute frequencies, from 7AM to 7:45PM.
- Service span (starting and stopping times) on all local routes have some minor changes. See specific route schedules for details.  
 (see example)

### Route 1 Example:

- Start and end time adjustments.
- Plan your trips carefully with the new schedules and timetables.

## Commuter Route Changes:

- No changes to route paths, destinations, or service areas on Routes 785, 786, 787, and 790.
- Some Commuter Routes will be reduced by one run due to ridership volumes:
  - Route 785 will now have six runs per weekday
  - Route 786 will stay at four runs per weekday
  - Route 787 will now have six runs per weekday
  - Route 790 will stay at two runs per weekday
- See specific route schedules for details.

## **Overview of Public Feedback**

The following is the overview of public feedback submitted to our online feedback form, shared verbally at events, provided to customer service, or collected on an LA Metro Reddit Forum called **AVTA Proposed Changes for 2027**.

### **Residence of Respondents**

- **30%** from Lancaster
- **43.3%** from Palmdale
- **10%** from Rural Towns - L.A. County – IN AVTA SERVICE AREA
- **17%** OUTSIDE of AVTA SERVICE AREA

### **Routes that Feedback Apply To:**

- **3.3%** Route 1
- **20%** Route 2
- **20%** Route 3
- **20%** Route 5
- **10%** Route 11
- **6.7%** Route 12
- **36.7%** Route 19 (Routes 50 and 51)
- **3.3%** Route 52
- **20.1%** Commuter Routes: 785, 787, 790
- **3.3%** Other than Proposed Service Change Routes

NOTE: Percentages being greater than 100% are due to some responses identifying multiple routes.

## **Feedback Notes – Highlighted Text Added**

### **Category: Increase Frequencies on Routes**

- As a daily rider who relies heavily on the East Palmdale grid, my feedback is focused on the urgent need to expand and optimize Routes 2 and 3. The rapid

residential growth in East Palmdale, particularly expanding eastward along the Avenue R corridor and the 40th/50th St. East areas, has significantly increased the community's reliance on these specific lines. Currently, Routes 2 and 3 act as the critical lifelines connecting these growing, densely populated neighborhoods to the primary North/South commuter arteries (like Route 1) and the transit hubs near the AV Mall and South Valley Transit Center. To properly support this ongoing residential expansion, I strongly urge AVTA to implement the following improvements: Increase Peak-Hour Frequency: Improve the headways on both Routes 2 and 3 during the morning and afternoon commute windows. As the population grows, 30-to-60-minute wait times are no longer viable for a community of this size commuting to work and school. Synchronize Transfer Windows: Optimize the arrival and departure times where Routes 2 and 3 meet high-frequency commuter lines. Currently, slight schedule misalignments force East Palmdale residents into unnecessary 30-minute layovers (for example, missing an Eastbound Route 2 departure at the AV Mall because a Southbound Route 1 arrived just a few minutes too late). Prioritize East-West Efficiency: Ensure that any future modifications to Routes 2 and 3 prioritize direct, efficient travel times across Palmdale without adding convoluted detours that slow down the cross-town commute.

- I solely depend on this route to take me every weekday morning and afternoon to and from work here in Downtown LA. I work at LA Superior Court, and I have to work in the Downtown LA area, but I do not have a reliable car to take me that far. I really want more trips for this route so that folks like me who have to commute long distances for work will always have reliable and safe transportation returning home. I'm really hoping that there won't be any rides cut from this route because we really need those rides and I prefer not to take the Metrolink train at all. I've never had any negative experiences yet and I am hoping it can stay that way.
- Route 790 needs more routes 2 isn't enough. Especially when Metrolink is planning to possibly cut more train routes and services. The 790 should continue to offer the 8am route leaving Palmdale Transportation Center with the addition of either a 7am route and or a 9am and possibly a 10:30am Route from Palmdale Transportation Center to the Newhall Metrolink. For the afternoon keep the 4pm Route from Newhall Metrolink to the Palmdale Transportation Center with an additional 5pm and or 6pm route to the Palmdale Transportation Center Monday - Friday, please AVTA offers lots of Services to the 785, 786 and 787 Routes why not the 790? Thank you.
- Cutting back routes limits our ability to have more options or opportunities as consumers. My schedule is constantly changing so having multiple bus routes and times allows flexibility in my schedule. This is also beneficial in the event when buses break down there are more options to be picked up by another bus. Limiting one less route will prevent us from potentially going to school or work. Cutting a route will also increase the amount of space on the buses causing limited seats. More chances for consumers to get sick

since they are closer in contact with random people. Higher possibility for us to be late due to limited spots on the buses/ routes.

- There should be 2 buses running down R makes no sense one bus is enough, just the route is enough. 3 should continue to stay the same on 47Th. The frequent runs mean the community will be bring more crime to east Palmdale. 11 needs to stay the same or make the route 7 continue straight on 30th and right on I because many students who live on, I take the 11 to get off and on and 30th west and Lancaster and usually get off has far has I and fern, 51 people depend on the train. And the one maybe you should add a short line from south valley to Owen's to extend the buses 15 mins till at least 6.
- We need an earlier bus; it is ridiculous that I get off at 2:30 and can't get home until 5:30 to 6:00 pm. When you rolled the time back 15 minutes you put us in all the traffic making us late going home. I don't just mean the traffic on the freeway but street as well. The schools are letting out, and the driver just gets stuck trying to get through. College is a nightmare the students wait sometime for hours then cannot get on the bus. Many end up using other methods to get home. They just stop trying. We need to either go back to it starting 15 minutes earlier or have an earlier bus.
- Implementing a fixed route structure would limit flexibility within the schedule. My schedule requires periodic adjustments, and a rigid routing system would not support that need. Additionally, in the event of a bus breakdown, there would be no backup coverage from previous runs. This could leave riders stranded and unable to get home on time, especially those already relying on the scheduled service. For these reasons, it would be more effective to maintain the current routing structure and consider increasing the number of runs to improve coverage and reliability.
- Please, do not reduce or change AVTA 785 runs and schedule. We are relying on these bus services to get to work. The passengers have significantly increased since Jan 2026. There were times we have to wait for next bus because it was already full. What I would like to request is for the operators to ask passengers to share seats with others when it is getting crowded. Many times, they don't move their bags and stuff, those occupying 2 seats rows. Be very respectful and kind, everyone wants to go to work on time and get home fast after long day. Thank you.
- Personally I think reducing Route 1 peak times from every 15 min to 30 min may leave those who need to take those buses stranded, whether it's students, the elderly, or even those who may go to work, I think a fair compromise should be around 20 min at peak times, then after that it could be reduced to 30, and then hourly, and so on. Personally, I think Route 5 needs to stay the same frequency as is.

- There is a high volume of riders that require a variety of times available to be transported to LA Union Station. Many of the riders are full-time workers and there are students that use the commuter as their only source of transportation. It is important to avoid any reduction.
- Line 1 reduction in evening service will hurt access to jobs and nighttime activities. At least run the 11/11:30 pm trip on weekdays and have the last trip at 9 pm on Saturdays and Sundays to accommodate retail shifts which end in this time period.
- The frequency of this line should increase and not decrease, and departure times should match the arrival times of commuter buses coming into Owens Park. I live on 45th ST west and wait times are brutal when I arrive from DTLA.
- More frequently. Sometimes it doesn't run every two hours, and my parents have to wait longer than they expected.
- More buses instead of 2. At least within the gaps when the metro has a 2-hour gap.

- I think frequencies should be maintained especially in areas of high demand, making Metrolink and commuter connections seems to be much more difficult

and time consuming with this proposed change, I do like how route 2 and 3 are moving further east, but what I don't like is how I cannot connect to a train earlier than train 204, or the 785 that leaves Palmdale at 6:15, I leave earlier for work and with this schedule I would not be able to make it to work, same applies when I come home, I do sometimes get home at 11:40PM when that train is running but when it was, I would miss that last bus by a few seconds and it would be frustrating needing to walk home. I think the best solution would be to expand service to serve all parts of the day, and connect with Metrolink trains which I did see what made since now you don't have to pray that the bus isn't more the 1 minute late and now have a 15-16 minute cushion, but maybe have it be a 5-10 minute cushion to and from Metrolink and keep those 15-30 minute frequencies.

- So many people live in AV, but they're mostly served by circular routes with abysmal ridership and timetables. People get on buses when they can conceptualize where they take them. Imagine a conversation between two people, one trying to describe the proposed Route 2 without the above map. How many sentences would it take to explain where the bus goes? A few additional thoughts: AVTA could really benefit from making sure each line connects to the commuter buses and making sure everyone who commutes to LA uses your buses. When every rider of route 786 contributes \$344 to the system each month, the payback period for even expensive canvassing methods becomes very short.
- There should be 2 buses running down R makes no sense one bus is enough, just the route is enough. 3 should continue to stay the same on 47Th. - Sun Village and Littlerock need a bus that arrives at Palmdale transportation center at 6:15am to catch the Metrolink and our commuter bus before 6:20am as of now there are no other routes to take to arrive before that time. I'm sure that why the 51 arrives at Palmdale transportation center at 6:15 am in the first place. Please don't change that. Students, veterans, and hardworking people take this early 51 bus. Please keep it unless you make it possible in any other way to arrive at Palmdale transportation center before 6:15am. I appreciate this consideration.

#### **Category: Critique of Time Changes**

- I saw the proposed change for the commuter buses. It initially said there was going to be one route removed but upon closer look I noticed the times were

changed. I have been a 785 rider for years now. I work in Compton while my wife works in Watts. The 4:10am bus is critical for us getting to work on time. We both start at 6:30am. Once we exit the bus at 5th/Figueroa st. at 5:45am we walk a half a block to catch the metro blue line train at 5:51am which gets to my stop at 6:22am. If the new proposed change takes place, we won't get to 5th/Figueroa until 6:05 which will cause us to miss the train, therefore, be late. Please don't eliminate the 4:10 bus. We have a lot of riders and a full bus every morning. Thank you.

- We need an earlier bus; it is ridiculous that I get off at 2:30 and can't get home until 5:30 to 6:00 pm. When you rolled the time back 15 minutes you put us in all the traffic making us late going home. I don't just mean the traffic on the freeway but street as well. The schools are letting out, and the driver just gets stuck trying to get through. College is a nightmare the students wait sometime for hours then cannot get on the bus. Many end up using other methods to get home. They just stop trying. We need to either go back to it starting 15 minutes earlier or have an earlier bus.
- I rely on the 787 route every day to get to work because I do not have a car. I take the 6:00 AM departure from Lancaster, and eliminating this route would directly affect my ability to get to work and support myself. There are no earlier transit options available in my area, so I would not have an alternative way to commute.

- I believe that route 19 should be expanded to Owen instead of finishing at Ave. J and 20th Street East. I also believe (which is off topic) that a study should be conducted to make a new brt system along the 10th Street West corridor the runs alongside the 1, which i believe will benefit thousands and also help Transportation between Palmdale and Lancaster.
- The buses already run super late so adding additional stops and lengthening the routes will do nothing but worsen bus service!!! I'm against it!! Also, the longer wait time is no good!! Especially for students! I don't Like This New Proposal!!!

- I'm very disappointed to see that proposed Route 19 will no longer serve the Palmdale Metrolink station.
- It will affect me. So NO.

- If you do not change the 790-route by going to the Mall of Victor Valley in Victorville, CA then you are missing opportunities to increase your ridership or revenue because I am tired of seeing low numbers on the 790 route.
- Both directions 170th / Ave K-8 needs a concrete platform / covered shelter. Currently it's a bus stop in sand, very difficult to board bus in wheelchair, very hot sun in summer. Please and thank you.
- Contract with Dollar General Lake LA store for the sale and add fare options of TAP cards. Currently Lake LA has absolutely no TAP card fare reload locations.
- Most of the time buses can't keep up with them because they don't hold charge. Build more reliable charging areas before expanding service.
- Please consider adding a stop to a hospital or a county run urgent care. Thank you.
- I use last route back to Los Angeles at 6:09pm.
- Extend service to Adelanto and Phelan.

**AVTA Response to Feedback Categories**

- **Increase Frequencies on Routes:**
  - **AVTA Response:** AVTA's planning department is recommending modifications to local routes 1, 2, 3, 5, 11, 12, 50 and 51 (19) in anticipation of increased costs per service hour over the next fiscal year, FY 27/28.

It is the goal of the AVTA planning department to create efficiencies in

our route system, specifically, increased passenger volumes on our proposed runs. AVTA is achieving this through fewer runs scheduled and a shorter span of service.

Greater frequencies and a longer span of service, as requested by some riders in this survey, would result in increased operational costs and less volume (lower efficiencies) on our buses.

After analyzing passenger volume trends, staff believe a more-compressed schedule will result in higher passenger volumes, greater efficiencies, and lower operational costs.

### **Optimize headways to Better Meet with Other Routes and/or Metrolink (5)**

- **AVTA Response:** AVTA's planning department believes that a successful schedule requires for headways to be optimized to best connect to other routes and services. Timetables are carefully reviewed and updated to best connect with other routes (including commuter routes) and local Metrolink services. All efforts are being made to provide our riders with the best connecting schedules possible.

### **• Critique of Time Changes (3)**

- **AVTA Response:** AVTA's planning department understands that some riders, especially commuters, must spend extended periods of time on some of our routes to reach their destination. Our commuter routes are extremely long and service may stop before beginning the long drive back to the Antelope Valley. Riders that board early endure a long trip, especially during times of high traffic. Feedback like these comments provided helps the planning department better understand the needs individual riders, but challenges us to serve the needs of all riders on these longer routes. While earlier return trips to avoid heavier traffic, this needs to be balanced against the needs of riders that work later and need later pickups. AVTA's planning department aspires to meet the needs of both types of riders with a balanced schedule, sufficient runs, and satisfactory passenger volumes on all runs.

### **• Critique of Route Design (5)**

- **AVTA Response:** AVTA operates a very large service area. The Antelope Valley is NOT laid out in a transit-friendly grid that lends itself to simple routes. The Antelope Valley's historical growth and sprawling residential zones require routes that connect the various areas of needed travel to bring the majority of our transit dependent residents to the services, employment, and entertainment destinations that are desired. This pattern of travel-demand does not always consist of

straight lines and express routes. Connecting the Antelope Valley requires an understanding of where the majority of our riders need to go.

- **Other comments (8)**

- **AVTA Response:** While these comments may or may not be helpful or feasible, they do not align with the scope of the proposed service changes that were the subject of this survey.

Comments were shared with the Planning, Operations, and Customer Service Departments for evaluation and consideration for future implementation.

Below are the final service recommendations on the initial proposed service changes.

In anticipation of the increased operational cost and after analyzing current passenger activity, AVTA is proposing to move forward with service changes to be implemented in Summer of 2027. The changes focus on improving route efficiencies, while making connections to other services. The changes are below 15% of annual revenue hours as referenced in our Fare and Service Change Guideline, and it doesn't prompt a Title VI review. Routing and service connectivity is being improved with no disproportionate impacts on minorities or Limited English Proficiency (LEP) communities.

# PROPOSED SERVICE CHANGES

## COMING IN 2027

### ROUTE 2 AND ROUTE 3

- On Route 2, service is extended from 47th St. E to 70th St. E
- On Route 3, service is extended from 55th St. E to 65th St. E
- Route 2 and Route 3 continue to interline at South Valley Transit Center (Palmdale).
- All current locations are still serviced.
- Extended service results in a frequency adjustment of 5 min. – from 30 min to 35 min headways (frequencies).

### ROUTE 5

- Extending Route 5 service to include Kaiser Permanente on Avenue L (Butterfly Building)
- Now serves BOTH KP Buildings in Lancaster.
- Extended service results in a frequency adjustment of 10 min. – from 70 min to 80 min headways (frequencies).

### ROUTE 11 AND ROUTE 12

- Route 11 and Route 12 are interlined. In order to keep frequencies balanced, Route 12 now services the northwestern portion, formerly serviced by Route 11.
- All current locations are still serviced.
- Route headways (frequencies) will not change. 30 min headways (frequencies) at peak on weekdays.

### ROUTE 19

- New Route: Route 19 is the combination of Routes 50 and 51.
- Route 19 service returns East towards Lake Los Angeles at Avenue J and 20th E. Routes 4, 11, and 12 are available to continue into Lancaster.
- Route 19 service returns East towards Lake Los Angeles at South Valley Transit Center (Palmdale). Routes 1, 2, and 3 are available to continue deeper into Palmdale.
- Connection to Route 52 at South Valley Transit Center (Palmdale) is maintained.
- Route 19 frequencies are improved to 90 minutes from the current wait of 2 hours and 20 minutes.
- Route 19 is designed to connect with early morning Metrolink and AVTA Commuter Routes during weekdays.

### 2027 SERVICE CHANGE GOALS

- Better use of service hours
- Gain route efficiencies
- Reach new areas of residential growth
- Implement improvements based on rider and operator feedback

**DATE: July 28, 2026**

**TO: BOARD OF DIRECTORS**

**SUBJECT: Contract #2026-10 to Brown Armstrong Accountancy Corporation, for CPA Financial Auditing Services**

---

### **RECOMMENDATION**

Authorize the Executive Director/CEO to execute Contract #2026-10 for CPA financial auditing services to Brown Armstrong Accountancy Corporation, Bakersfield, CA, for three years with two one-year optional renewal periods.

### **FISCAL IMPACT**

Sufficient funds have been included in the FY 2026 Budget and will be reflected in future budgets to cover these costs. Maximum cost summary as follows:

FY 2026 \$56,030

FY 2027 \$57,711

FY 2028 \$59,442

Option 1: \$67,005 NTD reporting year.

Option 2: \$63,062

### **BACKGROUND**

In May 2019, the Board of Directors awarded contract #2019- 64 for a one-year term, with combined renewals limited to five years. All renewals have been executed. AVTA sent out an RFP that closed on June 18, 2026. We received four qualified proposals in response. Five evaluators were assigned to assess and score each Proposal (three from AVTA's executive finance team and two from our municipal partners). Brown Armstrong Accountancy Corporation had the highest combined score on these assessments.

Brown Armstrong Accountancy Corporation is the incumbent firm and has performed its duties diligently and worked as a cohesive partner. Brown Armstrong was also scored the highest overall by the evaluation team. Therefore, staff recommend authorization for the Executive Director/CEO to execute contract #2026-10
